ULTRA SHORT-THROW INTERACTIVE PROJECTORS

EB-1400Wi/EB-1410Wi

The Epson ultra short-throw projectors EB-1400Wi and EB-1410Wi come with brilliant interactive features like split screen projection and dual on-screen pens for simultaneous writing, and efficient hands-on brainstorming sessions and group meetings. Now you can apply live annotations to your presentation and print them wirelessly, with or without a PC.

Dual Interactive Ultra Short

Split Screen 10W Speaker iProjection

ENGINEERED FOR BUSINESS

Ultra Short-Throw for Better Presentations

With Epson's ultra-short throw advantage to deliver uninterrupted presentations with minimal shadow interference and glare.

Brilliant Interactive Functions

The instant annotation tool, two interactive pens and auto calibration feature deliver interactive presentations easily.

Flexible Projection Modes

Create an interactive environment using any surface like whiteboards, walls and even tabletops.
