

ZD302

3D glasses

Bright, stylish and lightweight

Using DLP® Link™ active shutter technology, the Optoma ZD302 3D glasses allow you to watch the latest documentaries, sport and more in 3D.

Compatible with any Optoma 3D Ready or Full 3D projectors, these wireless 3D glasses automatically sync with the on-screen image. Boasting a long battery life of up to 40 hours and energy efficient auto power-off feature; the lightweight ZD302 glasses are fully rechargeable and even fit over most prescription glasses.
